

To the Members of our Community,

We are asking for your help in trying to stop the DEP from charging us excessive fees and additional costs to maintain our dams. This letter is being given out to the other associations with dams in an attempt to put a hold on the bonds, fees, and additional costs of rebuilding a dam.

Please forward the letter to your local representatives and senators. Their address and contact information can be found below.

The Microsoft Word document is available on our website under the page titled Newsletter. Simply open the document, complete the template information with your name and recipient, then print and sign the bottom before mailing.

Remember, the money is coming out of your pockets!

Sincerely,
MLEPOA Board of Directors
