

DOING THE
MOST GOOD®

Salvation Army Used Clothing and Household Goods Drive

The Salvation Army in our community has asked for our help. There has been a significant decrease in donor donations that supports our Salvation Army thrift stores and community programs in our county.

It is a great opportunity to de-clutter those full closets and cupboards, as well as a conscious way to dispose of unwanted goods in a manner that helps struggling families in our community!

What can you donate? We're collecting the following items in well-tied garbage bags: used clothing of all kind, shoes, purses and belts, as well as bed and bath linens. We're also collecting the following household items in boxes: dishes, pots, pans, vases, decorative knick-knacks, jewelry, and glassware. Any furniture or larger donations can be scheduled for prompt home pick-up by calling **1-800-SA-TRUCK!**

This is a clothing drive that everyone can feel good about supporting; knowing that your used goods are getting a second life through reuse by those most in need in our community!
